Loan #	Your December loan payment will not be deducted from your November 30 th check

The deadline to submit Skip-A-Payment form is
November 9, 2016.

FEE MUST BE RECEIVED BEFORE SKIP WILL BE AUTHORIZED.

I have enclosed \$20 per loan skipped.

Please deduct \$20 from my share account for each loan skipped. (Fee must be available before skip will be approved).

I understand that skipping my December payment will extend my loan(s) maturity date. This will not affect my payment record since the skipped payment will be added to the end of my loan(s) and this does not alter the terms and conditions of my original loan contract. Interest at the agreed rate will continue to accrue on the outstanding balance of each loan. Payments will resume the following month after the skipped payment.
