Plan Now to Attend the 2019 Annual Meeting

Calling all members! You're cordially invited to your credit union's 2019 Annual Meeting. At the credit union, you're not a customer: You're a member/owner. The Annual Meeting is your chance to find out what your credit union achieved in 2018 and what's on tap for the future. You can meet your volunteer board of directors and committee members, learn election results, and visit with your fellow members. As a financial cooperative, we exist only to serve members. Attending the Annual Meeting is one of the best ways to learn more about what the credit union has to offer and help us do an even better job to meet your financial needs.

Mark your calendars for the 48th Annual Meeting of Walker County Educators Federal Credit Union.

Holiday Savings Program The Easiest Way To Save For The 2019 Season

While the holiday season is chock full of beloved traditions, festive gatherings, and cherished family time, it also comes with pesky to-do lists, gift-buying worries, and plenty of expenses that can easily spiral out of control. If you financially and mentally overextended yourself this year, take comfort in knowing that you can better plan for next year with a Holiday Savings Program from the Walker County Educators Federal Credit Union.

This convenient account is designed to help you easily save for things like gifts, entertainment, dining, and travel expenses during the holidays. With the holiday account, it helps you get started and stay on track. Since it's linked to direct deposit or payroll deduction, your savings are deducted automatically as designated. It's also separate from your regular savings accounts for better budgeting. Saving doesn't get much easier than that!

Be financially savvy and stress-free next holiday season by signing up for your 2019 Holiday Savings Program today! Visit us at www.WalkerCountyEducatorsFCU.com or stop by either of our any branch locations.

Need Cash? Consider A Signature Loan

It can happen to anyone: You need to call a plumber to fix the sink at the same time your car's tires need replacing. Oh, and the insurance bill is due. If you need cash to help smooth out some of the wrinkles in your life, see the credit union for a Signature Loan. A Signature Loan is a personal loan best for short-term needs. You simply sign the loan agreement. There's no collateral involved, unlike a home loan or a vehicle loan, so you will pay a higher interest rate than on those loans. But it's a lower cost alternative to a credit card. So when life happens and you need cash to cover the consequences, count on the credit union to see you through the rough patches. Call on us today.

Are You Tired Of Receiving Paper Statements?

Simplify your life and cut the clutter with "free" e-Statements from your credit union. They are convenient and secure.

e-Statement Benefits:

- * Free, faster, and secure
- * An email notification will be sent when your monthly statements become available
- * Immediate online access to review, download and, if you wish, print your statements
- * Access current and past e-Statements
- * By removing the paper trail, you reduce the chance of mail fraud or identify theft
- * You gain more flexibility and security in managing your accounts

Whether you want to save time, save a tree, or just get organized, e-Statements are the answer. Sign up today to reduce your carbon footprint and go paperless.

Due to a recent audit by our examiners, the Credit Union will no longer be able to issue checks or disburse cash in advance. Checks can be issued and cash disbursed on the 1st of each month even though you are paid on the last day of each month.
